CLEAN WORKS QUARTERLY NEWSLETTER

"Your Road to a Cleaner America!"

SPRING 2013

introducing NEW SPONSOR

We would like to thank and welcome our newest sponsor, Michael and Son Services, by sharing their story. It is the story of an immigrant family, through perseverance and hard work, reaching success in their business. Remembering those that supported them, Michael and Son set out to give back to the community. They have joined the Adopt a Highway program in both Maryland and North Carolina. You can see their signs in 18 locations in Maryland and five locations in North Carolina. In addition to the Adopt a Highway Program, Michael and Son established the "Michael & Son Cares Program" to help disadvantaged

families with essential home repairs they can not afford. To date, the Cares Program has helped dozens of families in DC, Baltimore, Northern Virginia, Richmond, Norfolk and Philadelphia.

Congratulations to our Clean Team, headed up by Hector Hernandez!

Clean Works

We are partnering with the *Earth Day Network* and offering incentives. This will help the environment twofold, by contributing to their "A Billion Acts of Green" and cleaning the U.S. highways.

meet HECTOR

Hector Hernandez, National Maintenance Supervisor/Safety Officer, began as a part of our maintenance team in Los Angeles County and has subsequently been promoted to National Maintenance Supervisor. With 15 years of experience in roadside operations, he is instrumental in overseeing quality control, supervising all of our national crews as well as hiring and training all new Maintenance Supervisors. Honored as Supervisor of the Year in 2007, his hard work has been a key factor in the success of AAHLRSA. Mr. Hernandez is certified with ATSSA and is responsible for the safety program.

quotes from a SPONSOR

"I truly feel that the Adopt a Highway program gives maximum exposure to my businesses on our busy highways for a fraction of the cost of billboards. In addition, the goodwill that comes along with the program is a huge bonus and important to the local communities."
